## COMPUTER SCIENCE STUDENT

CONTACT: 9392587195 | E-MAIL: greeshmareddy167@gmail.com

ADDRESS : Tirupati , Andhra Pradesh | Greeshma - LinkedIn

### SUMMARY

I am a dedicated and motivated third-year BE student with a strong foundation in engineering concepts and a passion for continuous learning. I am eager to apply my technical knowledge, problem-solving skills, and creativity to real-world challenges while contributing positively to team projects and organizational growth.

### TECHNICAL SKILLS

java	Time Management
Html, Css	Leadership (Class Representative)
SQL	Logical Thinking

### PROFESSIONAL EXPERIENCE

#### Web Development Intern, Codebind Technologies [🔗](#)

- Learnt to work with a Professional team in a Professional Environment.
- Collaborated with a cross-functional team of 5 developers to design and implement the project and enhancing efficiency.
- Learnt HTML, CSS, PHP, SQL and worked with local server in phpMyAdmin

#### Skilled Programmer, RHP Student(Recognized High Performer)

- Among 200 young candidates of Department, selected as one among 6 High Performing Candidate
- Solved over 2000+ Challenges over Platforms like CodeTantra, Skillrack, lamNeo.
- Crafted logical frameworks for tackling complex issues , resulting in the development of workflow.

### EDUCATION

#### RMK ENGINEERING COLLEGE 2022-2026

B.E Computer Science

- CGPA:7.91

#### SRI CHAITANYA COLLEGE 2020-2022

- percentage:79%

#### NALANDHA HIGH SCHOOL

- GPA:593/600

### PROJECTS

#### Traveller plan suggestion [🔗](#)

Built a traveller plan suggestion platform using Python and BardAi Api Key.

To display the travelling plan for the traveller by getting the destination place as the input.

#### Cosmetic E-Commerce Webpage [🔗](#)

Using HTML, CSS, Php, MySQL to build a E-Commerce webpage to showcase the skills in the above mentioned techstack.

### ADDITIONAL INFORMATION

- **Languages:** English, Telugu, Hindi, Tamil.
- **Certifications:**
  - NPTEL - Programming in java [🔗](#)
  - CISCO - Introduction to Cyber Security [🔗](#)
  - Infosys Springboard - java programming fundamentals [🔗](#)
  - Infosys Springboard - Basics of python [🔗](#)
  - Infosys Springboard - Database Management System [🔗](#)
